DEPARTMENT OF BIOTECHNOLOGY
I.T.S PARAMEDICAL COLLEGE MURADNAGAR
Affiliated to C.C.S University, Meerut

BEST CENTRE OF LEARNING IN NCR
BY INDIAN ACHIEVERS PODIUM

SALIENT FEATURE
- Annual conference, workshops and industry/Academic visits.
- PDP program for students by experienced career counsellors.
- Research Projects under the guidance of experienced faculties.
- Regular interactions with researchers and industry professionals from India and abroad for placement.
- Highly qualified competent and devoted faculty.
- Well equipped laboratory with PCR, HPLC, UV Visible Spectrophotometers, Electrophometer assemblies, Transilluminator, L.A.F Chamber and 80D shaker.
- I.T. Lab with 60 Pentium based computers, Bioinformatics software for teaching and research, 24 hours Mbps radio link facility.
- High quality teaching aids with LCD Projector and OHP facility in classrooms.
- Over 2788 books by renowned, International and Indian authors, subscription of National and International Journals.
- Hostel & Transport Facilities.

B.Sc Biotechnology
Three years Degree course:
Eligibility: 10+2 (with Biology/Maths) from recognized Board with 45% for general category and passing marks for SC/ST

M.Sc Biotechnology
Two years (4 semesters):
Eligibility: 45% Marks in Bachelors Degree (10+2+3 Pattern) with Agriculture/ Bio Group / Biotech / Microbiology. Passing Marks for SC/ST

"CHOOSE BIOTECHNOLOGY TO CREATE THE DIFFERENCE"
DEPARTMENTAL ACHIEVEMENTS

NATIONAL BIOTECHNOLOGY CONFERENCE
LEADING IDEAS AND FUTURE ENCAMPMENT, 2012

- Around 300 participants from Academic and Industries across the country attended the National Biotechnology Conference - LITE-2012
- Prof. G. S. Randhawa, Department of Biotechnology, Indian Institute of Technology, Roorkee - KEYNOTE SPEAKER
- Prof. B.C. Das (Director), ACRB, North Campus, New Delhi - GUEST SPEAKER
- Prof. M.U. Charaya, Department of Botany, C.C.S. University, Meerut - GUEST SPEAKER

RESEARCH ACTIVITY

Excellent research environment for dissertation work to P.G students in the field of Microbial Biotechnology, Plant Biotechnology, Environmental Sciences and Molecular Biology, under experienced supervisors.

ANNUAL TRAINING CUM-WORKSHOP

Annually organizes a workshop to introduce the students with recent techniques in the field of Biotechnology.

INTERNATIONAL SPEAKERS

Department regularly invites International speakers to motivate the students and to improve their skills:
- Dr. B.K. Sharma, Senior Research Scientist, Weinberg Cancer Institute, Maryland, USA.
- Dr. V.K. Morya, Lecturer Dept. of Biological Engineering, INHA University, Korea.

EMINENT PERSONALITY

Group regularly invites renowned personalities:
- Mr. Venod Kambli - Indian Cricket Team & Mr. Ashok Musti - Pop Singer
- Ms. Hasleen Kaur - Femina Miss. India 2011 & Ms. Shibani Kasyap - Singer
